Just a reminder that Regional Representatives are still doing phone reviews at this time. Some Regional Representatives are having a difficult time contacting providers for desk provider reviews. Please make sure that your voice mail box is not full. We need to be able to reach you for a provider review to avoid deductions on your claim and keep you in compliance.

Thank you for sending in your updated/new child enrollment forms as well as your claims on a timely manner to ensure the most possible reimbursement during these unusual times.

Freeze Dance!

Turn on the music and get moving, then shut it off without warning and shout, "freeze!" Whoever stops moving last is out.
